2. Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act ("SAs"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

3. Key Audit Matters

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

4. Other Information - Board of Directors' Report

- A. The Company's Board of Directors is responsible for the preparation and presentation of its report (herein after called as "Board Report") which comprises various information required under section 134(3) of the Companies Act 2013 but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the Board Report and we do not express any form of assurance thereon.
- B. In connection with our audit of the financial statements, our responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
If based on the work we have performed, we conclude that there is a material misstatement in this Board Report, we are required to report that fact. We have nothing to report in this regard.

5. Management's Responsibility for the Financial Statements

- A. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of "the Act" for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- B. In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibility for the audit of financial statements

A. Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern
- v) Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieve fair presentation.

C. Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

- D. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.
- E. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

II. Report on Other Legal and Regulatory Requirements

1.  - iv) In our opinion, subject to our comments stated in para for basis of qualified opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

 - vi) The qualifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(ii) above on reporting under section 143(3)(b).

- viii) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and according to the information and explanations given to us, the limit prescribed by section 197 for maximum permissible managerial is not applicable to a private limited company.

BLUE BERRY E-SERVICES PRIVATE LIMITED
NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

Note-1

Significant Accounting Policies

a. Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost convention on accrual basis of accounting, in accordance with Indian Generally Accepted Accounting Principles (GAAP). GAAP comprises the mandatory accounting standards notified under the Companies (Accounting Standards) Rules, 2021. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b. Use of Estimates

Indian GAAP enjoins management to make estimates and assumptions that affect reported amount of assets, liabilities, revenue, expenses and contingent liabilities pertaining to year, the financial statements relate to. Actual result could differ from such estimates. Any revision in accounting estimate is recognized prospectively from current year and material revision, including its impact on financial statement, is reported in notes to accounts in the year of incorporation of revision.

c. Revenue Recognition

All items of incomes and expenses are accounted for on accrual basis. However, Sales of Goods and Services are excluding GST.

d. Property, Plant and Equipment and Intangible Assets

Property, Plant and Equipment are stated at cost less accumulated depreciation. Cost of acquisition or construction is inclusive of freight, duties, taxes and incidental expenses incurred during construction / installation of assets.

e. Depreciation / Amortization

The Company has considered useful life of assets same as prescribed under the Companies Act, 2013.

f. Foreign Currency transactions

The transactions in foreign currency are recorded at the exchange rate prevailing at the time of transactions. Monetary current assets and current liabilities are re-instated at year-end exchange rates and Gain or loss so determined and also the realized exchange gain or loss are recognised in the Profit and Loss Account.

g. Impairment of Assets

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

h. Inventories

BLUE BERRY E-SERVICES PRIVATE LIMITED
NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

j. Taxation

Current Tax is the amount of tax payable on the estimated taxable income for the Current Year as per the provisions of the Income Tax Act, 1961.

Deferred Tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date.

Deferred Tax Asset is recognised and carried forward only to the extent that there is a virtual certainty of its realisation.

k. Earnings per share

The earnings considered in ascertaining the Company's earnings per share comprise the net profit after tax and include the post-tax effect of any extra-ordinary items. The number of shares used in computing basic earnings per share, is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the shares considered for deriving basic earnings per share and also number of equity shares that could have been issued on the conversion of all dilutive potential equity shares.

l. Provisions, contingent liabilities and contingent assets

Provisions are recognized in terms of Accounting Standard 29 - Provisions, Contingent Liabilities and Contingent Assets (AS-29), notified by the Companies (Accounting Standards) Rules, 2006, when there is a present legal or statutory obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Contingent Liabilities are recognized only when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for. Contingent Assets are not recognized in the financial statements.

m. Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.
